About TICE

"Energy for all" is fundamental to achieve the universal objective of Sustainable Development. The Government is striving hard in contemplating energy access and ensuring energy security to its people. Dr. Gopal Energy Foundation, through this conference aims to bring all the stakeholders on a single platform to discuss the existing Government initiatives, policies, cull out innovative ideas, suggest potential measures in wholesome implementation of Government objectives. The broader objective of the conference scheduled are listed below:

- Encourage investment in India in the energy sector with special emphasis on new & renewable sources of energy
- To deliberate and find out ways for energy security of the Nation
- Discuss best practices on conservation of energy
- To bring energy leaders and experts on a common platform for discussion on crucial issues related to energy sector
- To share expert knowledge and discuss contemporary issues in the energy sector
- To impart conceptual and theoretical understanding of the energy sector.
- To discuss the challenges and solutions to encourage start-ups in energy sector in India
- To make "Right to Energy" fundamental right in all constitutions of the World & include it as basic Human Right in the Universal Declaration of Human Rights

Donations to Dr. Gopal Energy Foundation are exempt U/S 80G (5) (VI) of Income Tax 1961 vide order no. DEL-DE27894-14072017/8757 dated 14.07.2017 with effect from A.Y. 2017-18 NITI Ayog UNIQUE-ID: DL-/2019/0223520
