

DGEF Training Calendar, 2022 (January 2022 to December 2022)

Participation by Officers of Govt. of India/PSU's/Renewable Energy Companies /Electricity Regulatory Commission etc has made DGEF **industry leader for online Training in the Energy sector**. 11,000 plus Officers/ Engineers have joined Training/Sensitization/ Orientation in the last 7 years. We have covered the entire value chain of the Energy sector i.e. electricity Generation (Solar/Wind/Thermal/Hydro etc); electricity Transmission (STU/Load dispatch Centres etc); Discoms; Regulators (Govt./ SERCs /JERCs etc); Electricity Trading & Power Exchanges, E-mobility & Charge Point Operators and many more.

DGEF aims to do capacity building of One Million Energy professionals by 2030 in the Energy/e-Mobility sector through various initiatives to make **Right to Energy** a Fundamental Right in all the Constitutions of the World and to include it as a **basic human right** in the Universal Declaration of Human Right.

You are free to nominate for 21st Batch of DGEF Energy Courses.

Following Courses are offered for capacity building: -

PART I	Flagship Courses
PART II	Advanced Course
PART III	Specialized Courses
PART IV	New DGEF Courses (Registration Open)
PART V	Special/Customized Training / Workshops
PART VI	Courses on State Specific Solar Policies and Acts
PART VII	Training Workshops

Initiatives of DGEF:

Electricity Laws-Online Certificate Course | Solar Policies & Laws - Online Certificate Course | E- Mobility Policy and Laws Online Certificate Course | Energy Arbitration Laws-Online Certificate Course | Energy M&A and Insolvency Laws-Online Certificate Course | Renewable Energy- Land Acquisition Laws-Online Certificate Course | Environment Laws in Energy Sector online Certificate Course | Global Energy Arbitration Centre (GEAC) | Training /Workshop for capacity building in energy sector | TILA International Confex on Energy (TICE) | TILA International Moot Court Competition on Energy& International Laws (TIMCCE) | International Chamber of Commerce for Energy (ICE) | Energy for all (Annual Journal)

www.dgef.in

PART I- Flagship Courses

Training Course	Extensive content	Next Batch / Contribution / last date for Admission / Nomination
Electricity Laws – Online Certificate Course (6 plus Episodes/Videos - Energy Dialogues of around 100 Min. each)	Module 1: Electricity Policy Framework (National Electricity Policy/National Tariff Policy/ State Renewable Policies) Module 2: Development of Electricity Market (Generation, Transmission, Distribution, Trading & Power Exchanges) Module 3: Regulatory aspects of Electricity (Open access, Tariff Adoption, License for Electricity Utility, CERC, SERC, JERC) Module 4: Dispute Adjudication in Power Sector (Energy Arbitration with case laws, Competition law, APTEL, Supreme Court) Module 5: Consumer Protection- (Electricity Ombudsman, Electricity Special Courts{theft} unauthorised use of electricity and assessment, assessing officer, Jurisdiction of Consumer Courts with Case laws). Module 6: Energy Issues (Importance of New and Renewable Energy, Energy Storage, Green Hydrogen, M&A and IBC)	Next Batch – Starting on 1st January 2022 to 31st March 2022 (3 months) Contribution - INR 19,000/- (USD 267/-) Last date for Admission/ Nomination – 15th December 2021
Solar Energy Laws & Policies Online Certificate Course (6 plus Episodes /Videos -Energy Dialogues of around 100 Min. each)	Module 1 – International Solar Policy (ISA/IRENA/IEA) Module 2 – National Solar Policy in light of Electricity Act 2003. Module 3 – State Solar Policies (with emphasis on the States of Rajasthan, Gujarat, Maharashtra, Karnataka, Andhra Pradesh and Telengana Module 4 – Roof Top Solar & Net metering Regulations issued by various State Electricity Regulations. Module 5 – Ground Mounted Solar , Solar Captive plant and Group Captive power Plant- Legal Position and Regulatory Benefits Module 6 – Regulatory framework for Solar Manufacturing (PLI/ALMM/BCD), Floating Solar, Energy Storage & Green Hydrogen.	Next Batch – Starting on 1st January 2022 to 31st March 2022 (3 months) Contribution - INR 19,000/- (USD 267/-) Last date for Admission/ Nomination – 15th December 2021
E- Mobility Laws and Policy Online Certificate Course	Module 1– Understanding E-Mobility Module 2- International Law with respect to E-mobility Module 3- National laws and Policies with respect to E-Mobility Module 4- State laws and Policies with respect to E-Mobility Module 5- Policies and Laws for Charging Infrastructure Module 6- Policies and Laws for Railway and Metro Transaction Module 7- Workshop for Legal Compliance towards E-mobility Business Module 8- Legal Remedies for Consumers of Charging Stations/ Charging Infrastructure Module 9- Challenges and solutions for E-mobility	Next Batch – Starting on 1st January 2022 to 31st March 2022 (3 months) Contribution - INR 19,000/- (USD 267/-) Last date for Admission/ Nomination – 15th December 2021

Initiatives of DGEF:

Electricity Laws-Online Certificate Course | Solar Policies & Laws - Online Certificate Course | E- Mobility Policy and Laws Online Certificate Course | Energy Arbitration Laws-Online Certificate Course | Energy M&A and Insolvency Laws-Online Certificate Course | Renewable Energy- Land Acquisition Laws-Online Certificate Course | Environment Laws in Energy Sector online Certificate Course | Global Energy Arbitration Centre (GEAC) | Training /Workshop for capacity building in energy sector | TILA International Confex on Energy (TICE) | TILA International Moot Court Competition on Energy& International Laws (TIMCCE) | International Chamber of Commerce for Energy (ICE) | Energy for all (Annual Journal)

PART II- Advanced Course

Training Course	Extensive content	Next Batch / Contribution / last date for Admission / Nomination
<p>Advanced Electricity Laws – Online Certificate Course (25 Seats only)</p> <p>Eligibility –</p> <ol style="list-style-type: none"> Members & Chairperson of Regulatory Commissions Joint Secretary and above Government of India / Principal Secretary & above State Govt. General Manager & Above @ CPSU/SPSU Founder / CEO/ Promoter / Director @ Renewable Energy or Power Company (Private Sector) Experts with 15 plus years experience in Energy sector including University Professors& Officers who have qualified flagship course (Electricity Laws/ Solar Law & Policies). <p>(USP- 12 Live interactive Sessions through Weekly Energy Dialogue of 100 Min. each with Raj Singh Niranjan along with National and international experts)</p>	<p>Module1: Electricity Policy Framework (National Electricity Policy/National Tariff Policy/ State Renewable Policies)–<i>Action by Government, Judicial view through Supreme Court Judgments & the Way forward.</i></p> <p>Module2: Development of Electricity Market (Generation, Transmission, Distribution, Trading & Power Exchanges) –<i>Action by Government, Judicial view through Supreme Court Judgments & the Way forward.</i></p> <p>Module3: Regulatory aspects of Electricity (Open access, Tariff Adoption, License for Electricity Utility, CERC,SERC,JERC) –<i>Action by Government, Judicial view through Supreme Court Judgments & the Way forward.</i></p> <p>Module4:Dispute Adjudication in Power Sector (Energy Arbitration with case laws, Competition law, APTEL, Supreme Court)–<i>Action by Government, Judicial view through Supreme Court Judgments & the Way forward.</i></p> <p>Module5: Consumer Protection-(Electricity Ombudsman, Electricity Special Courts{theft} unauthorised use of electricity and assessment, assessing officer, Jurisdiction of Consumer Courts with Case laws). – <i>Action by Government, Judicial view through Supreme Court Judgments & the Way forward.</i></p> <p>Module 6: Energy Issues (Importance of New and Renewable Energy, Energy Storage, Green Hydrogen, M&A and IBC)–<i>Action by Government, Judicial view through Supreme Court Judgments & the Way forward.</i></p>	<p>Next Batch – Starting on 1stJanuary 2022 to 31st March 2022 (3 months)</p> <p>Contribution - INR 99,000/- (USD 1357/-)</p> <p>Last date of Admission/ Nomination – 15th December 2021</p>

Electricity Laws-Online Certificate Course | Solar Policies & Laws - Online Certificate Course | E- Mobility Policy and Laws Online Certificate Course | Energy Arbitration Laws-Online Certificate Course | Energy M&A and Insolvency Laws-Online Certificate Course | Renewable Energy- Land Acquisition Laws-Online Certificate Course | Environment Laws in Energy Sector online Certificate Course | Global Energy Arbitration Centre (GEAC) | Training /Workshop for capacity building in energy sector | TILA International Confex on Energy (TICE) | TILA International Moot Court Competition on Energy& International Laws (TIMCCE) | International Chamber of Commerce for Energy (ICE) | Energy for all (Annual Journal)

PART III- Specialized Course

Training Course	Extensive content	Next Batch / Contribution / last date for Admission / Nomination
Energy Arbitration – Online Certificate Course	<p>Module 1 – International Arbitration Law</p> <p>Module 2 – National Energy Arbitration Law.</p> <p>Module 3 – Landmark Judgements.</p> <p>Module 4 – International Arbitration Centre</p> <p>Module 5 – Arbitration Contracts.</p> <p>Module 6 – Global Energy Arbitration Centre Rules</p>	<p>Next Batch – Starting on 1st January 2022 to 31st March 2022 (3 months)</p> <p>Contribution - INR 9,000/- (USD 132/-)</p> <p>Last date for Admission/ Nomination – 15th December 2021</p>
Energy Merger & Acquisition and Insolvency Laws – Online Certificate Course	<p>Module 1 – Restructuring & Growth of Energy Sector in M&A</p> <p>Module 2 - Company Laws in respect of Mergers& Acquisition</p> <p>Module 3 – Role of SEBI in terms of Corporate M&A</p> <p>Module 4 – IBC Laws 2016 vis-a-vis M&A</p> <p>Module 5 - Electricity Act, 2003 in respect to M&A</p> <p>Module 6 - Other relevant Laws & Policies & Landmark Judgements & Success stories</p>	
Renewable energy – land Acquisition Laws – Online Certificate Course.	<p>Module 1 – Re land Acquisition- Introduction & Importance</p> <p>Module 2 – Solar Policies with State & Central Electricity Act, 2003</p> <p>Module 3 – Agriculture & Private Land Acquisition for RE project</p> <p>Module 4 – Land Acquisition by Central & State Government & Public Sector Undertakings</p> <p>Module 5 – RE legal issues and Landmark Judgments</p> <p>Module 6 – Workshop on Legal Due Diligence Report, Transactional Documentation and Registration of Conveyance</p>	
Energy Storage Laws & Policies Online Certificate Course.	<p>Module 1 – Understanding the Meaning and Need For Energy Storage</p> <p>Module 2 - International Legal Perspective in Energy Storage</p> <p>Module 3 – National Laws and Policies with respect to Energy Storage</p> <p>Module 4 – Charging Infrastructure and IPR Protection</p> <p>Module 5 - Dispute Resolution Mechanism</p> <p>Module 6 - Energy Storage - Future Prospect for Energy Sector</p>	
Wind Energy Laws &	Module 1 - International wind energy	

Initiatives of DGEF:

Electricity Laws-Online Certificate Course | Solar Policies & Laws - Online Certificate Course | E- Mobility Policy and Laws Online Certificate Course | Energy Arbitration Laws-Online Certificate Course | Energy M&A and Insolvency Laws-Online Certificate Course | Renewable Energy- Land Acquisition Laws-Online Certificate Course | Environment Laws in Energy Sector online Certificate Course | Global Energy Arbitration Centre (GEAC) | Training /Workshop for capacity building in energy sector | TILA International Confex on Energy (TICE) | TILA International Moot Court Competition on Energy& International Laws (TIMCCE) | International Chamber of Commerce for Energy (ICE) | Energy for all (Annual Journal)

<p>Policies Online Certificate Course</p>	<p>policies and laws. Module 2- National wind energy policy and law (in light of the Electricity Act, 2003). Module 3- State wind energy policy and law in light of state acts Module 4- Compliances for development and construction of wind power project. Module 5- Compliances during operation and Decommissioning of wind power project Module 6- Legal challenges and solutions in wind energy sector</p>	
<p>Energy Contracts Online Certificate Course.</p>	<p>Module- 1 – Energy Contract-Introduction Module- 2 – B2G Contracts For Setting Up Power Plants. Module -3 – Land Aggregation & Acquisition Agreements For Power Projects. Module- 4 – Contracts for fuel Supply/Water Supply For Power Plants. Module- 5 – Energy purchase & Transmission Contract Module- 6 – Contracts for Construction & Operation of Power Plants. Glossary: Suitable Contract Terms & Contract Negotiation - Best Practices</p>	
<p>Environment Laws for Energy Sector online Certificate Course</p>	<p>Module 1- Energy and Environment-Background Module 2- International Framework and Climate Change Module 3- Environmental Laws in India Module 4- Electricity Generation and Environmental Laws Module 5- Electricity Transmission, distribution and E-Vehicle charging infrastructure Module 6- Environmental issues and Landmark judgements with respect to power sector</p>	
<p>Right to Information Act, 2005 for Power PSUs - Online Certificate Course</p>	<p>Module 1 – Constitution Of India & The RTI Act,2005 Module 2 - Rights Available To Citizens Under RTI Act, 2005 Module 3 –Exemption From Declaration Of Information And Replying To RTI Application And Reply To RTI Application By Cpio/Pio/Api. Module 4 – Best Practices To Dispose Appeal By Appellate Authority Module 5 - State Information Commission/Central Information/Judgements Module 6 - Judgements By High Court</p>

PART IV- New DGEF Courses (Registration open)

On request from the Power / Energy / RE sector, few new courses have been started by DGEF. You can nominate candidates for the new courses for this batch.

Natural Gas Laws Online Certificate Course.	Registration Open	Next Batch – Starting on 1 st January 2022 to 31 st March 2022 (3 months) Contribution - INR 9,000/- (USD 132/-) Last date for Admission/ Nomination – 15 th December 2021
Legal Approvals required for Manufacturing of Power and RE Equipments online certificate course.	Registration Open	
Companies Laws for Energy Sector online certificate course.	Registration Open	
Energy Competition Laws online certificate course.	Registration Open	
Legal Compliance for setting up a Captive Power Plant online certificate course.	Registration Open	
GEO-Thermal Energy online Certificate Course.	Registration Open	
Nuclear Energy online certificate course	Registration Open	
Legal Compliance for setting up a Hydro Electric Power Plant online certificate course.	Registration Open	
Electricity Tariff Laws online certificate course.	Registration Open	
Theft of Electricity and Assessment Laws for DISCOMs online certificate course.	Registration Open	
Rooftop Solar and Net-Metering Laws online certificate course.	Registration Open	
Constitutional Laws for Energy Sector online certificate course.	Registration Open

Project Finance Laws for Renewable Energy Investment online certificate course.	Registration Open	
Petroleum Laws online certificate course.	Registration Open	
Coal Laws online Certificate Course.	Registration Open	
Power Sector Standards OCC (CEA/BEE/BIS/ALMN)	Registration Open	
Waste to Energy Laws OCC	Registration Open	
Power Project bidding Laws and Procedure OCC (RFP/Tenders/PPP Models/EPC)	Registration Open	
Climate Change on International Energy Laws OCC	Registration Open	
Laws for distribution of Electricity and procedure for Discoms privatization OCC	Registration Open	
Bio Energy Laws OCC	Registration Open	
Energy Laws for railways and metro services OCC	Registration Open	
Energy Laws for Defense sector and energy security OCC	Registration Open	
Compliances for setting up Wind Energy Plant OCC	Registration Open	
Laws for charge point operators OCC	Registration Open	
Laws for decommission of power plant OCC	Registration Open	

PART V- Special Training / Workshops

Initiatives of DGEF:

Electricity Laws-Online Certificate Course | **Solar Policies & Laws** - Online Certificate Course | **E- Mobility Policy and Laws** Online Certificate Course | **Energy Arbitration** Laws-Online Certificate Course | **Energy M&A and Insolvency Laws**-Online Certificate Course | **Renewable Energy- Land Acquisition Laws**-Online Certificate Course | **Environment Laws in Energy Sector** online Certificate Course | **Global Energy Arbitration Centre (GEAC)** | **Training /Workshop** for capacity building in energy sector | **TILA International Confex on Energy (TICE)** | **TILA International Moot Court Competition on Energy& International Laws (TIMCCE)** | **International Chamber of Commerce for Energy (ICE)** | **Energy for all** (Annual Journal)

www.dgef.in

Energy Dialogue with Raj Singh Niranjana / Special Training / Workshop	Energy Dialogue/Workshop covers I	Date & Duration
Special Workshops (Designing special course material involves time of expert hence the proposal for same is shared by DGEF only on minimum commitment of INR 2Lakhs and 20 plus Officers)	Topics are suggested/recommended by the HRD/Personnel Department(s) of the Renewable Energy Company/ Power PSUs /Govt Departments as per the requirements. For Example:- <ol style="list-style-type: none"> 1. Orientation Training to GETs/MTs (eg- delivered to SECI) 2. Insolvency & Bankruptcy Code for Power Sector (eg- Delivered to NHPC Ltd) 3. Workshop on Theft of Electricity (eg Delivered to BSES Rajdhani/ Yamuna Power) 4. Above are examples you can suggest Special trainings for your company 	Two alternative dates (along with time) can be suggested by HR Team. Duration can extend from 60 Min to 7 days depending on the course to be covered.

PART VI - State Specific Solar Policies and Act Courses

Andhra Pradesh Solar Policy and State Laws	Registration Open	Next Batch – Starting on 1 st January 2022 to 31 st March 2022 (3 months) Contribution - INR 9,000/- (USD 132/-) Last date for Admission/ Nomination – 15 th December 2021
Delhi Solar Policy and State Laws	Registration Open	
Gujarat Solar Policy and State Laws	Registration Open	
Haryana Solar Policy and State Laws	Registration Open	
Karnataka Solar Policy and State Laws	Registration Open	
Madhya Pradesh Solar Policy and State Laws	Registration Open	
Maharashtra Solar Policy and State Laws	Registration Open	
Odisha Solar Policy and State Laws	Registration Open	
Punjab Solar Policy and State Laws	Registration Open	
Rajasthan Solar Policy and State Laws	Registration Open	
Tamil Nadu Solar Policy and State Laws	Registration Open	
Uttar Pradesh Solar Policy and	Registration Open
