GUIDELINES FOR PAPER PRESENTERS

(Please use Form 4 for registration as Paper Presenter)

Environmental sustainability and economic growth can happen only by proactive intervention in the Energy Sector. Access to reliable, sustainable and affordable energy is vital to ending extreme poverty in India and promoting shared prosperity. Lets join hand to support this Energy Conference for realising the goal of “*Energy for all*” in India.

The International Energy Conference will deliberate on the theme –

“Energy Revolution in India” (Urja Kranti)

The theme is in furtherance of the prominent objective “ Energy for all”

The conference is a platform for Faculty, Research students and Subject Experts to share their views on growing concerns in Energy Sector including Energy Security.

CONFERENCE THEMES

Accordingly, the conference is carefully divided into four major themes –

Theme -A (Brahma Session) : Generation/Production of Energy.

Theme-B (Vishnu Session) : Transmission / Distribution/Supply of Energy.

Theme- C (Mahesh Session): Consumption of Energy

Theme-D : Role & Action Plan by Electricity Regulatory Authorities/Govt./CPSUs/SPSUs/Private Sectors/ Individuals – “To provide clean, affordable and quality energy for all.

The conference will be the best platform to interact, with key decision maker for reforms in the regulatory and policy framework of the nation. Your presentation and research may contribute to the nations progress.
